Mountain View Little League Fall Baseball Program

What is MVLL Fall Ball?

Little League is a heritage baseball program located in Mountain View, California. 2019 is our 62nd season serving the children of Mountain View. Our Fall Baseball program develops baseball skills while giving players a fun and supportive place to play. The program is instructional and informal. The focus is on building skills and not on winning games. This program is for players of *League Ages 8 to 11 (in 2019)* who will play Minors AAA or Majors in Spring 2020. See age chart on next page.

Division	Recommended Age Range	Description
Minors AAA	8-10	Kid-pitch. Includes stealing, bunting.
Majors	9-11	Includes dropped third strike rule.

Players of League Age 12 or older in 2019 can learn about Fall Baseball with Mountain View Babe Ruth League at <http://mvbr.org>

Team/Division Placement: Teams will be determined by the Little League Board of Directors with help from team managers. Placement will be based on experience and ability. We will have two Majors and two Minors Division teams. There will not be a Farm Division Fall Baseball program this year.

Cost: \$75 for players who played previously in MVLL. \$100 for players new to MVLL. New players paying \$100 will receive a \$25 discount for MVLL 2020 Spring Baseball registration.

Practices: Held at **Monta Loma Park**. Players are expected to attend at least **one practice per week**. Majors and Minors teams will hold practices two nights per week. Practice schedule is TBD. We are planning collaborative coaching and practices to offer flexibility for all players to attend practices that fit their schedules.
